LELAND GRAVE The roads are quite dusty. A little rain would be useful. A good deal of business is being done in the vicinity of Placer. The weather is fine; just warm enough to be comfortable. Several good quartz mines will change hands in the near future. Mrs. Strong went to the Pass last week to visit her daughter, Mrs. Burnett. Capitalists from the Atlantic states are looking at the Placer mine with a view of buying in all probability. The Martha mine is running full blast; the ore is carried by wire rope over the mountain to the Greenback mine where it is treated. Some men of money went down Grave Creek last week with a view of buying placer mines. The Lewis Co. is doing extensive prospecting below Placer in the old Grave creek channel. They have a large traction engine for their power. Their prospects for heavy channel mining is very flattering. A gold dredger in Grave creek would be a paying investment. WIDE AWAKE.

Don't Grumble when your joints ache and you suffer from rheumatism. Buy a bottle of Ballard's Snow Liniment and get instant relief. A positive cure for rheumatism, burns, cuts, contracted muscles, sore chest, etc. Mr. I. T. Bogy, a prominent merchant at Willow Point, Texas, says that he finds Ballard's Snow Liniment the best all round Liniment he ever used. Sold by National Drug Co. and Rotermund.

Fruitgrowers of Rogue River Valley find the Courier of special interest.

GRAVE R. H. Goff has gone to Eugene. Haratia Oshing made Grants Pass another visit. Stewart Espey of Greenback is visiting Grave. Miss Lotta Farleigh has returned to her home at Grave. Mrs. H. L. Wilson has gone to Eastern Oregon on a business trip. W. E. Manly of Leland made Grants Pass a business trip last Sunday. Geo. Light's family have moved to Grave and are tenting in the jungles. Misses Maggie, Sarah Alderson and Frank Lawler visited Greenback last Sunday. Mrs. Geo. Farleigh has been doing business in Medford as she is administratrix of her mother's estate. Mr. and Mrs. Philips of Leland visited Grave and took all the blackberries back with them at 15 cents a gallon. Misses Ruby Penwell and Adah Light of Grave were guests of Misses Lelah Phillips and Pearl Warner last Friday. Henry Lee visited Grave last Tuesday. Wertz's mill started up Tuesday for the first time and Mr. Blacklock's mill is going now. Mrs. Lydia Johnston and Miss Adah Light went to Leland last Sunday morning to meet Mrs. Johnston's grandson, Harold Davis, who is but seven years old and he made the trip from Portland all alone. Grave has organized a new lodge called "That's my business." They have taken in quite a number of members around Grave, also Leland. High initiative fees, sick and accident benefits. President, Ruby Penwell, vice-president, Adah Light; secretary, Maude Light. Badges worn by all members. Leland is very much in need of a livery stable. Farmers visited Leland last Sunday morning and saw one young man with a tongue carrying it on his shoulder, trying to find a buggy to fit it. Another fellow had a harness, one with a saddle, and last of all came a middle aged man with a wheel barrow. They were all trying to get rigged out to take their girls buggy riding. We extend our heartfelt sympathy. FARMERS.

GREENBACK The weather still continues warm. Mrs. H. L. Wilson visited this place a few days ago. Miss Sarah Hoxie of Golden made Greenback a visit Saturday. Mrs. Stewart has been visiting Greenback the past three days. We all feel sorry for Wideawake who has so many "kids" to care for. Mr. Inman was sick last week and kept from work a couple of days but is better now. A social hop was given at the Greenback boarding house Saturday, August 4th. Misses Sylvia and Myrtle Irwin, of Placer attended the dance at Greenback Saturday evening. Miss Cora Walker who has been visiting relatives in Greenback, started for her home in California August 6th. Mr. Frank Harrington and a friend have leased the Bedrock on the Black claim on Grave Creek, where they expect to make a fortune. Mrs. Critzer and a friend from the Columbia mine visited this place Sunday afternoon. Mr. Stanford Leland, who has been taking a two months vacation will return to Greenback next Tuesday or Wednesday. VIOLET.

The Courier is the leading paper of Josephine County The best advertisers patronize the Courier. Galveston's Sea Wall makes life now as safe in that city as on the higher uplands. E. W. Goodloe, who resides on Dutton St., in Wasco, Tex., needs no sea wall for safety. He writes: "I have used Dr. King's New Discovery for consumption the past five years and it keeps me well and safe. Before that time I had a cough which for years had been growing worse. Now it's gone." Cures chronic Coughs, La Grippe, Croup, Whooping Cough and prevents Pneumonia. Pleasant to take. Every bottle guaranteed at all drug stores. Price 50c and \$1.00. Trial bottle free. Has Stood the Test 25 Years. The old, original GROVES' Tasteless Chill Tonic. You know what you are taking. It is iron and quinine in a tasteless form. No cure, No pay. 50c. State Maps—Courier Building.

The Best Guaranty of Merit Is Open Publicity. Every bottle of Dr. Pierce's world-famed medicine leaving the great laboratory at Buffalo, N. Y., has printed upon its wrapper all the ingredients entering into its composition. This fact alone places Dr. Pierce's Family Medicine in a class all by themselves. They cannot be passed with patent or secret medicines because they are neither. This is why so many unprejudiced physicians prescribe them and recommend them to their patients. They know what they are composed of, and that the ingredients are those endorsed by the most eminent medical authorities. The further fact that neither Dr. Pierce's Golden Medical Discovery, the great stomach tonic, liver invigorator, blood purifier and blood purifier, nor his "Favorite Prescription" for weak, overworked, broken-down, nervous women, contains any alcohol, also entitles them to a place all by themselves. Many years ago, Dr. Pierce discovered that a chemical pure glycerine of proper strength, is a better solvent and preservative of the medicinal principles residing in our indigenous, or native, medicinal plants than is alcohol; and, furthermore, that it possesses valuable medicinal properties of its own, being demulcent, nutritive, antiseptic, and a most efficient antiferment. Neither of the above medicines contains alcohol, or any harmful, habit-forming drug, as will be seen from a glance at the formula printed on each bottle wrapper. They are safe to use and potent to cure. Not only do physicians prescribe the above, non-secret medicines largely, but the most intelligent people employ them—people who would not think of using the ordinary patent, or secret medicines. Every ingredient entering into the composition of Dr. Pierce's medicines has the strongest kind of an endorsement from leading medical writers of the several schools of practice. No other medicines put up for like purposes has any such professional endorsement. Dr. Pierce's Pleasant Pellets cure constipation. Constipation is the cause of many diseases. Cure the cause and you cure the disease. One "Pellet" is a gentle laxative, and two a mild cathartic. Druggists sell them, and nothing is "just as good." Easy to take as candy. Children in Pain never cry as do children who are suffering from hunger. Such is the cause of all babies who cry and are treated for sickness, when they really are suffering from hunger. This is caused from their food not being assimilated but devoured by worms. A few doses of White's Cream Vermifuge will cause them to cease crying and begin to thrive at once. Get a trial. Don't Be Blue and lose all interest when help is within reach. Herbine will make that liver perform its duties properly. J. B. I have used it constantly. I believe it to be the best medicine of its kind, and I wish all sufferers from these troubles to know the good Herbine has done." Sold by National Drug Co. and Rotermund.
